Biography: Marco Vighi

Marco Vighi took his Master Degree in Biology at the University of Milano (Italy) in 1969. He was formerly professor of Ecology, Applied Ecology and Ecotoxicology at the Universities of Milano and Milano Bicocca. Now he is Principal Investigator and responsible of the Ecotoxicology Research Group at the IMDEA Water Institute in Alcalà de Henares (Spain). Since 1991 he is a member of the Scientific Committees on Health and Environment (CSTE, CSTEE, SCHER, and SCHEER) of the European Commission (DG SANTE). In 2018 he won the SETAC Europe Environmental Education Award.
